The above list (table 4) shows qualified candidates within reach for consideration. Candidate data is as documented on attached USAFE Forms 260, Record of Qualifications. You are encouraged to give candidates the opportunity to be interviewed; however, if one is interviewed, all must be interviewed. Select the individual you consider most likely to succeed in your vacancy based on good judgement and evaluation of the qualifications and merits of each certified candidate in relation to the requirements of the position to be filled. Indicate your selection by completing blocks 9-12 below and return this register together with USAFE Forms 260 in a sealed envelope to the CPF within 10 workdays. When circumstances require a longer period, an extension may be approved by the CPF representative as named in block 5. This extension will not exceed 60 days from the date shown in block 8.
